Public Beta Release!! Version 1.0.5

2019-11-14 - Elyse - Releases

In addition to **Signal Spy** and **Tasker** integrations, we are excited to announce that Fialer will be integrated into an upcoming release of **FiSwitch!!**

The first link is to opt in into the beta and second is to download the app (you might need to wait a couple minutes between using the two)

<https://play.google.com/apps/testing/com.novvia.fialer>

<https://play.google.com/store/apps/details?id=com.novvia.fialer>

Also, for Signal Spy Pro users, you can get the Signal Spy Edition here (for FREE):

<https://play.google.com/apps/testing/com.novvia.fialer.sse>

<https://play.google.com/store/apps/details?id=com.novvia.fialer.sse>

Don't know what Fialer is? Read our article titled [What is Fialer?](#)
